**City of Bismarck v. Pederson**

**No. 20160021**

**Per Curiam.**

[¶1] Tiffany Pederson appealed from a criminal judgment for actual physical control of a motor vehicle while under the influence entered upon a conditional guilty plea after the district court denied her motion to suppress. On appeal, Pederson argues the district court erred in denying her motion to suppress, contending the initial contact made by the officer constituted an illegal seizure. We conclude the district court's decision is not contrary to the manifest weight of the evidence. We summarily affirm under N.D.R.App.P. 35.1(a)(2).
